# Report to the Parish Council on progress with projects in Astley Village by Cllr Laura Lennox.

Back in January and February the work on the new knee rail was completed and some grass seeding was done, although getting that routinely maintained has been challenging!

In February, 10 new trees were planted and the flower boxes were filled in April, when I managed to get some plants. A number of volunteers have been watering the boxes and trees through the drought which followed the floods.

Over the early part of the year the steps in Hare wood and Judeland wood were completed and they have been a great asset for many people taking exercise in and around the park during lockdown.

Unfortunately, the combination of the lockdown and the drought has played havoc with the plans to allow wildflower regeneration along Chancery Road. The notices identifying the areas to be left uncut have never appeared. Mowing was postponed and consequently some people did not see that the long grass was intentional. Also, the seeded wildflower meadow at the end of The Farthings was ploughed in the heavy rains of February and then left during the lockdown! I managed to obtain some seed and scatter it, so all may not be lost!

I have had three complaints about the long grass, two of them directed through other Councillors and one through the Clerk. I have also received some compliments and pleasure that we are giving nature a chance. I think the project will need refining next year but at present that seems even more uncertain. The grass will be cut at the end of August or early September.

With the Community Centre closed our Lengthsman has been unable to work. Thank you to those of you who have been litter picking.

The reopening of the cafe in the park for takeaways has caused problems with the bin overflowing in the car park. I have reported this several times. However, litter on the whole has not been too bad.
