This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2017; and

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

These items are not considered to be either a breach of legislation or proper practices or other matters to report.

The review of the annual return may not disclose all shortcomings of the systems as some matters may not have come to the attention of the auditor. For this reason, the matters raised may not be the only ones that exist.

Minor issues

What is the issue?

The following issues have been raised as minor issues or omissions have been identified in the current year's Annual Return:

Section 2 - Trust Funds Disclosure Note

What is the issue?

The Smaller Authority has not answered box 11 in error in Section 2 of the annual return. We believe based on the prior year information that the authority should have answered 'No'.

Why has this issue been raised?

The disclosure on the annual return has not been completed, however we believe that the Smaller Authority is not the sole trustee of any charities.

What do we recommend you do?

The Smaller Authority should ensure in future years that it answers 'No', that the Smaller Authority does not act as the sole trustee for and is not responsible for managing trust funds or assets.

Further guidance on this matter can be obtained from the following source(s):

Governance and Accountability in Local Councils in England - A Practitioners' Guide, NALC/SLCC

Why has this issue been raised?

This is to draw these minor errors to the attention of the smaller authority.

What do we recommend you do?

The smaller authority should ensure in future years that the above minor errors or omissions are not included in the Accounting Statements.

Further guidance on this matter can be obtained from the following source(s):

Governance and Accountability in Local Councils in England - A Practitioners Guide, NALC/SLCC

No other matters came to our attention.
