288.12 Environment Reports

Chase CBC about the parking on Hallgate outside Oliver House also, their vehicles taking up the Community Centre car park all day.

Paths through the woods works from the Neighbourhood Working project have not been done.

JD Tree has died outside of 12 Deerfold and it is suspected because the weed spraying around the base is always quite aggressive – can we have CBC inspect and replace if needs be.

JMcA weed spraying – doesn't seem to have been done this year – can we ask CBC about spraying. Also, around the flagstones adjacent/in front of the community centre.

LL Power washing of the underpass has not been done. Broken knee rails need removing. A dead Rowan cut off outside the community centre- all these issues are outstanding.

ML paths between streets need to be reported if they are overgrown or need maintenance.

ML youth problems in the village has risen and is causing a lot of problems now, residents are scared – can the Parish Council assist, maybe write to Aspire Youth Zone for some targeted work, Police for increased assistance, Places for People safety officer.

LL doubtful that the hedge-line will be trimmed, along Chancery Road (in front of the shops), because it is to be removed, but we have no information of when this may be done.

288.13 Reports from Parish Council representatives on Other Bodies

AA – Liaison Committee in 17 July. Useful meeting, hearing concerns around other villages and Cllr responses. He reported that he raised the issue on procurement of bus contracts and the response was that when they come to the end of the contract, they are put out to tender for a contractor to bid for. Discussions followed around packaging services so that profitable routes support socially required routes. CllrAA volunteered to prepare a request for this to be considered by the County Council.

RF – Neighbourhood Working Forum in 8 July, discussed road safety and signs on Chancery Road and confirmed the installation of the two Spids. Discussions followed up on the footpaths which had not been done yet, two seats for the Orchard in Euxton had not arrived yet. The maintenance of the CBC planter in AV was questioned and if the parish council could assist. New neighbourhood priorities were agreed and the suggestion in AV to remove the Chancery Road hedge in front of the shops was put forward. AV parish council offered to match fund up to £2000.

If daffodils bulbs are given to us, they can be planted around the entrance sign opposite Buckshaw Hall
