

HAVE YOUR SAY

On the next phase of the
West Way Sports Hub development
new play area and path works

Monday 6 December 2021
Drop in between 3pm - 7pm
West Way Sports Hub pavilion

Following the development and successful launch of West Way Sports Hub located between Westway and Chancery Road in Astley Village, we now look to the next phase of the development, a proposal for a new play area and work to pathways at the site.

We'd like your views on the plans so far to help inform the designs for this play area.

During the drop-in event you'll be able to view the plans so far and give your opinions on some of the options that will enable us to finalise the plans to create these fantastic facilities for the local community.

Please contact **simon.forster@chorley.gov.uk** if you wish to know more but cannot attend the event.
